

Derma CLR

Extra Strength Reduced L-Glutathione Supplement

- **Derma-CLR™ is formulated to help the body cleanse oxidative blemishes on the skin and promote a flawless and fairer appearance.**
 - Produces a healthy glow and nourishes the skin
 - Reduces and prevents aging spots and hyperpigmentation
 - Delays premature aging and wrinkles
 - Prevents and removes pimple and other wound scars
- **Derma-CLR™ is an extremely effective antioxidant which is designed to help maintain the skin's elasticity and healthy color.** This product contains a pure form of L-glutathione manufactured in the US, and can be added to any skin care regime. Derma-CLR™ helps to lighten the skin's hyperpigmentation by inhibiting darker melanin production and reverse the aging process. Age spots, scars and other skin irregularities are reduced by the effects of this product. Clinical studies confirm that this formula has a preserving and radiating effect upon the skin.
- **Derma-CLR™ not only aids the skin but is also involved in detoxification, antioxidant function, and improves the immune system of the overall body.** L-glutathione blocks harmful toxins from within the body and helps to remove toxins that normally cause damage to the skin and internal organs.

Other important nutrients for the skin include:

- **Alphy-lipoic acid:** Helps the body to naturally synthesize the body's own antioxidants.
- **Vitamin C:** Is a very important nutrient for the skin which allows the body to synthesize L-glutathione more effectively.
- **N-Acetyl cysteine:** Is a building block of the body's own natural antioxidant production.
- **Leucine:** Is an important nutrient for healthy skin cells and helps to diminish fine lines and sagging skin by improving the skins natural elasticity.
- **Proline & glycine:** Aids the body by helping the skin to look youthful and smoother.
- **Binrgaraj leaves (*Eclipta alba*):** Is a natural remedy for blemished skin.
- **CoEnzyme Q10:** is involved in aiding the body to keep cells inside the body and the skin healthy.

Suggested Use: As a dietary supplement, take 2-4 capsules daily between meals, or as directed by your healthcare practitioner.

Warning: If you are pregnant or nursing, consult your health care practitioner before taking this product.

Warning: Glutathione as a supplement is not normally recommended if you are taking chemotherapeutic or anti-psychotic drugs. Avoid too much sun and harmful UV rays by wearing sunblock. Avoid drinking or smoking as doing so will deplete the glutathione levels in the body.

- **Derma-CLR™ functions as a supplement for the overall health of the body, but it also has a unique effect for those who desire to have fairer and lighter skin.** In certain dosages, Derma-CLR™ will lighten skin with a noticeable difference within 3-4 weeks.
